

A word cloud of biological terms. The words are arranged in a roughly circular pattern. The largest words are 'molecular' and 'chaperone' in pink. Other words include 'shock' in orange, 'heat' in orange, 'hsp82' in pink, 'ssa1' in orange, 'plasma' in green, 'enolase' in blue, 'kinase' in blue, 'membrane' in green, 'pyruvate' in blue, and 'atpase' in green.

plasma  
enolase shock  
molecular  
chaperone  
kinase hsp82  
heat ssa1  
membrane pyruvate  
atpase
